Track information

The Circuit of the Americas features many elevation changes. The climb to the first corner is so steep that the drivers can only guess where the apex is. Some very fast sections follow, but also several tight and twisty segments. The set-up for the racecar is correspondingly challenging.
Track record in qualifying: Loïc Duval/Allan McNish (Audi), 1m 48.355s in 2013
Track record in the race: Benoît Tréluyer (Audi), 1m 47.375s in 2013
Winners 2014: Fässler/Lotterer/Tréluyer (Audi)
