

Marco Schubert

Member of the Board of Management at AUDI AG Sales and Marketing

Marco Schubert has more than 30 years of professional experience in the automotive industry, including 20 years working at Audi. He has spent more than half of his career at international sites.

Marco Schubert was born in Magdeburg and studied automotive economics at Nürtingen-Geislingen University.

From 2011 to 2014 he was head of the North Europe Region at Audi. After this he worked as Managing Director for Audi Sweden for three years before becoming Head of Sales for Asia and Overseas at Skoda a.s. From 2018 to 2021 Marco Schubert held the position of President of the Audi Sales Division in China. From 2021 to 2024 he was Vice President for Region Europe at Porsche.

From 1 September 2024, Marco Schubert is a member of the executive board of AUDI AG for Sales and Marketing and is responsible for Volkswagen Group's sales operations as a member of its Extended Executive Committee.
